The Board of the Morgan County Commissioners met in their office on Monday, November 1, 2004, with the following members present:

The meeting was called to order at 8:30 a.m. with the pledge of allegiance to the flag.

Russ Harper stopped in to ask several questions, referring to a letter to the editor from Della Bratton in the October 27 issue of the Morgan County Herald. Mr. Harper commented that it appeared Mrs. Bratton had made herself guardian of the Morgan County taxpayers and questioned the success she may have had in saving Morgan County money. Mr. Dozer replied that several years ago Mrs. Bratton had spearheaded a referendum to prevent an increase in the conveyance fee from appearing on the ballot. Only the seller would pay this conveyance fee and by now would have accumulated over \$500,000 to date. This is funding that would have gone for economic development for the County. Mr. Harper asked how many dollars Mrs. Bratton may have cost the county. Mr. Moore replied for the Commissioners stating that they didn't really know, but stated "this office has spent an inordinate amount of time on Mrs. Bratton's numerous requests for information ." Further, the Commissioners stated that much of her requested information dates back beyond twenty years and the research requires extreme time and effort.

He also presented the Title XX County Profile Plan to be signed by Commissioners' President, Carl Dodrill and reported on the Flood Grant Approval. This grant will provide means of cleaning up Morgan County Streams of the debris left by the recent flooding. Mr. Ridenour asked if a decision had been made on the Buy-Out Plan he had presented to the Commissioners. The Commissioners responded that they declined to participate in the Buy-Out Plan for DJFS at this time.
