- Mrs. Hosom presented a letter for Commissioner Vanhorn (President) and Commissioner Shriver (Vice-President) to sign. The letter contained information that CD rates are still extremely low this year. There is a CD due today, April 14, 2014 (which is currently held by First National Bank) in the amount of 119,000. Mrs. Hosom gave the current rates to the committee and felt that it be best to revisit in First National Bank at a rate of .25% for 12 months.

Board of Elections, (BOE)

The commissioners asked about the procedure of absentee and early voting. The issue of comp time being accumulated during the voting time period was questioned. Due to employees having much more comp time than vacation, they have been using comp time instead of vacation. This has become an issue. However, no changes were made due to the election being so close.
