Notes:		Lowest Cost Highest Cost Did not bid															

NOTES:  
A) Crushed Stone  
1) Cumberland Limestone is the cheapest product at the pit, however haulage cost will overcome some of the other producers. And their quality of material is not as good, the stone is softer  
2) Sergeant Stone is the best quality stone, but can cut ties. The cost is higher than average, but it has a steeper haulage cost for a good part of the county  
B) Gravel  
1) S & S Aggregate is the cheapest gravel source and the trucking cost are also in favor of S & S Aggregate

Blue Road Numbers include trucking costs at 50.15¢/ton mile

- 1.) Blue Bold Numbers include trucking costs at \$0.16/ton mile.  
2.) When needing good hard stone, with trucking costs included, Sergeant Stone is the best stone at the best price when hauling to the County Garage  
3.) If the project can use a softer stone, then Cumberland Limestone, LLC is the best bargain.

**17-513-** Motion by Mr. Shriver and seconded by Mr. Vanhorn to table all aggregate bids.

**Mr. Reed yea Mr. Shriver yea Mr. Vanhorn yea Motion Carried**

\*Tire bids were opened and the results were as follows:

\*Only one (1) vendor submitted a bid on the tire usage for the County. Central Ohio Tire LLC of Zanesville. Based upon our average usage Central Ohio Tire LLC of Zanesville submitted a bid of \$26,331.80; which is more than last year's bid for the same range of products. But, still less than last year's second lowest bid of \$26,800.13.

**17-514-** Motion by Mr. Vanhorn and seconded by Mr. Shriver to table tire bids.

**Mr. Reed yea Mr. Shriver yea Mr. Vanhorn yea Motion Carried**

- Discussed a complaint from a concerned citizen regarding a rough road she resides on which results in the concerned party needing to purchase new tires for her vehicle. Commissioners talked to Mr. Hook.

\*Fuel bids were opened and the results were as follows:

Re: Fuel Bid Results to County Highway Garage

Only one vender (Greuey's Fuel and Farm Supply, LLC), submitted a bid for supplying Regular Unleaded Gasoline, Ultra Low sulfur Dyed and Low-Sulfur #2 Diesel Fuel for the County Highway Department, Sheriff, Auditor, Transit, Litter Control, and several of the Townships.

The bids are based upon the "Average Rack Price" at the Marietta terminal "Oil Price Information Service" (OPIS) for the date of delivery to the customer's tank or designated location.

**Estimated Usage by Product at County Highway Garage**

<u>Product</u>	<u>5-Yr. Average Usage</u>
10% Ethanol Gas	<b>19,652 gal.</b>
Ultra-Low Sulfur Diesel	<b>37,837 gal.</b>
<b>Average Total Fuel Purchases :</b>	<b>57,489 gal.</b>

**Bid Results**

**County Highway Garage**

<u>Product</u>	<u>Greuey's Fuel Markup</u>		
	<u>2017-Prices</u>	<u>2018-Prices</u>	
Unleaded gasoline	\$0.053/gal.	\$0.053/gal.	<b>0% Increase</b>
Ultra Low-Sulfur #2	\$0.086/gal.	\$0.086/gal.	<b>0% Increase</b>
<b>Total Cost Increase/Gal.</b>	<b>= \$0</b>		

Since there has not been an increase in delivery costs and we do not have the ability to receive tanker bulk deliveries of diesel fuel; I see no reason to not accept this proposal.

We do need to evaluate the situation to see if we can find any additional ways to lower our overall county fuel costs, possibly combining with the transit and the school systems.

Deliveries of less than 1,000 gals or fueling using Greuey's pumps

Product	Greuey's Fuel Markup		
	2017 Prices	2018 Prices	
Unleaded gasoline	\$0.107/gal.	\$0.107/gal.	+0.0
Ultra Low-Sulfur #2	\$0.194/gal.	\$0.194/gal.	+0.0
Ultra Low Dyed Sulfur	\$0.203/gal.	\$0.203/gal.	+0.0

Since there has not been an increase in delivery costs, and we do not have the ability to receive tanker bulk deliveries of diesel fuel; I see no reason to not accept this proposal.

However, I think we should let each of the Townships individually decide if they are willing to accept this quote.

Respectfully,

  
Stevan Hook  
Morgan County Engineer

At opening of business on 12 December 2017, the phone system's voicemail and auto-attendant was offline. Upon investigation, it was discovered that the power line filter device that the voicemail was plugged into had failed. The filter was bypassed and the voicemail was restored to operation.

The IT Director continued to update the County's website, adding forms to the County employee's section of the website and updating the template used by the Commissioners' webpages.

On 22 December 2017, the IT Director will meet with representatives from Verizon Government Services in an effort to clean up various wireless accounts in use throughout the County and to discuss plans for service for Public Transit and the Dog Warden.

The buyer from Florida did not pay for the vehicle they purchased on GovDeals. The vehicle will be offered to the next highest bidder.
